

CAMBORNE TOWN COUNCIL

COMPLAINTS POLICY

Camborne Town Council recognises that from time to time there will be concerns expressed by members of the public over the activities of the Council or one of its members or employees. To address these issues the Council has adopted a procedure for the handling of complaints. This procedure allows people to have a form of address to the Council if they feel they have a complaint, are unhappy about an action or lack of action by the council or have been unfairly treated in their dealings with the Council staff, the Council or its Committees.

This complaints procedure does not apply to:

1. Complaints by one council employee against another council employee, or between the council as an employer and a council employee. These matters are dealt with under the council's disciplinary and grievance procedures.
2. Complaints against individual councillors. Complaints against individual councillors are covered by the code of conduct for members adopted by the Town Council. Complaints against individual councillors should be sent to:
